

Please do not allow LPFM stations to take priority over current FM translator service which allows me and my family to be blessed by K-LOVE. K-Love is invaluable to the local community as it is a positive alternative to family-UNFRIENDLY local radio programing. Without K-LOVE, the area would be without an FM source of quality Christian programing. Christian music serves the deeper needs of thousands in this Durham/Chapel Hill, NC area. Please consider us in your decision; a vote for the LPFM will damage us if K-LOVE is kicked off the air. Thank you.
